Educating Every Student for Success

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Pioneer High School has an enrollment of approximately 250 students who are at least sixteen years of age or older and are at risk of not graduating on time due to credit deficiency, discipline issues, or both. Pioneer High School, established in 1967, is the oldest continuation high school in the Redding area and is WASC Accredited. We offer a core curriculum that matches the comprehensive high schools and our students have the advantage of small class sizes as well as multiple support services. Students have an opportunity to earn accelerated credits as well as participate in CTE and other work experience opportunities. Students are enrolled for five periods daily and may also enroll in online courses as well as concurrent adult education courses to further accelerate the completion of 230 credits. The school calendar is divided into 6 grading sessions over the course of the year. The campus is closed, however, students can earn the privilege of going off-campus at lunchtime if they earn required credits, demonstrate good attendance, and do not acquire any referrals regarding behavior issues.

Approximately 90-95% of the students at Pioneer Continuation High School are credit deficient. Quite often students enroll as seniors with a significant lack of credits in the courses of Math, English, and Social Science. Sometimes the biggest barrier to student achievement is an attitude where students either believe they can't or aren't willing to succeed (for a variety of reasons). We focus on removing the obstacles that get in the way of student learning and develop Individual Graduation and Beyond Plans. The challenge is to prepare these students for the next phase of life. If they are not able to obtain a diploma at Pioneer (because it's mathematically impossible), we counsel them for the next step at Shasta Adult School or the GED process. The goals for all students are to prepare them for one of five next steps in life: (1) Post Graduate Education; (2) Trade School; (3) Certification or an Apprentice Program; (4) Military or (5) the Work Force. The academic instructional focus is geared toward state standards and our Expected Schoolwide Learning Results (ESLR's). Pioneer students must meet all district and state standards in order to receive a diploma. Student performance is directly linked to teacher competency. As certificated openings occur in settings with low performing students, it's imperative to recruit the best teachers to work with the students with the greatest needs.

The campus has also been modernized with two new buildings and updated landscaping.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The Pioneer High School Campus was modernized in 2016. An entire new wing of classrooms were built along with a cafeteria, wood shop, conference room and main office. The campus also underwent extensive landscaping along with the creation of outdoor eating area for students and a beautiful quad area. The cafeteria space was recently relocated to the multipurpose room, creating a more spacious and inviting space for students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

The Shasta Union High School District offers CTE Career Pathways in the following Industry Sectors that are all aligned to the Model Curriculum Standards:

Agriculture and Natural Resources
Arts, Media, and Entertainment
Building and Construction Trades
Business and Finance
Education, Child Development, and Family Services
Engineering and Architecture
Health Science and Medical Technology
Hospitality, Tourism, and Recreation
Information and Communication Technologies
Manufacturing and Product Development
Public Services

Many of the CTE courses are Dual Enrolled or Articulated with Shasta College and offer students an opportunity to earn college credit and receive a strong experience and understanding of all aspects of the industry they may consider pursuing a future career. Most pathways also offer Industry Certifications and/or local Internship opportunities. A variety of CTE courses are also A-G approved. The District promotes, supports, and provides services that ensure all students have full and equitable participation in all CTE programs and courses. Support services are available for students with special needs. These services may include guidance and counseling, assessment; transitional services; and modifications to and reasonable accommodations for curriculum, equipment, and facilities. These services ensure special needs students are recruited, enrolled, supported, and complete CTE courses and programs.

Program sequences are offered in 27 Career Pathways that lead to post-secondary educational opportunities, industry certifications, and employment placements:

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Pioneer High School has an open-door policy for parental involvement. Parents are required to be present during the intake process during registration. Parents and community members are invited to attend all site council meetings which are held monthly throughout the school year. Pioneer has transitioned from Targeted Assistance to a School-wide Program and the school will be conducting ongoing needs assessment to determine how Title 1 resources will be utilized. Parents and school personnel jointly create a Parent Compact that details the responsibilities of parents, students, and school personnel in relation to Title 1 allocation of resources. Resources/programs are available for ELL students, in addition, there is a district ELL liaison. Community members, parents, and graduates are also invited frequently as guest speakers and evaluators for the annual Career Week Faire. Parents also participate in the Parent Survey sent out annually. Parents and students help develop and give input regarding goals for the district Local Control and Accountability Plan (LCAP). Additionally, parents and community members are invited to participate in our many social functions such as holiday dinners and open house barbecues. Parent letters and all call messages through our Parent Square system are utilized as well.

2023-24 School Safety Plan

The School Safety Team at Pioneer High School meets for the annual review of the School Safety Emergency Action Plan. Parent, student, classified, certificated, School Site Council, and administrative representation constituted the makeup of the School Safety Team Review committee. This plan has been tailored to meet the specific needs of North State Independence High School. The safety plan includes the mandated components of Senate Bill 187 including:

Child Abuse reporting procedures

Routine and emergency disaster procedures including natural disasters, power outage, human-created disasters, CODE RED, and other emergency actions

Policies pursuant to Education Code 48915(c) and other school designated serious acts that would lead to suspension, expulsion, or mandatory expulsion recommendations

Procedures to notify teachers of dangerous students Sexual Harassment Policy

Dress Code

Safe ingress and egress to and from school

A safe and orderly environment conducive to learning Rules and procedures on school discipline

Please note that this plan includes procedures for a variety of emergencies and situations, from an intruder on campus to a natural disaster. It has been designed to complement the District's Emergency Disaster Preparedness Plan and Manual, which provides more detail on procedures and preparedness. It is a general guideline to assist School Administrators, Emergency Services (first responders), and others in the event of an incident at North State Independence High School. The guidelines contained within this plan can vary based on the nature of the incident, structural integrity, water and power supplies, and most importantly the safety of the staff, students, and school community. Finally, this plan contains a variety of other information including but not limited to the following:

2023-24 School Safety Plan

Exposure control for bloodborne pathogens
 Hate motivated crimes
 School community alerts on sexual predators
 Safety Multi-Disciplinary Team/Crisis Response Team/After Care
 Suicide on campus
 Arrest of student

The District Safety Team meets monthly and consists of the principal at Pioneer and other staff members from the programs that share this site.
